We have also suggested two possible moderators ¨C Charlie Rose, CBS, or Suna Vidinli, an independent Turkish media anchor.

Conversation with the Extraordinary

Ehud Barak, Prime Minister of Israel (1999-2001)

WHAT DOES SUNNI-SHIA STRIFE MEAN FOR A LONG-TERM PEACE AND STABILITY IN THE MIDDLE EAST?

Moderator: Charlie Rose or Suna Vidinli

We would expect the session to be of high interest for SPIEF participants and draw about 100-150 audience. Once agreed, we would then work closely with you and the moderator to prepare the session structure. On average we have about 6-7 sessions in parallel at any given time during SPIEF.

Could you please give us a contact person with whom we could discuss all technical questions? Like your bio, photo etc. Our managers would be in touch with this person 24/7, answer all questions immediately, send all updates (dates, timeslots, contacts).

Looking forward to your feedback,

Sergey Belyakov

participate in the Forum as a panelist in 2 sessions:

1) UNLOCKING THE POTENTIAL GROWTH OF THE KNOWLEDGE ECONOMY

2) BUILDING EFFECTIVE CYBER SECURITY SYSTEMS

If you are interested in other sessions please let me know. I'll be happy to answer all questions you have and provide you with more information.

Your meeting with Sergey Lavrov is confirmed. Should his office contact yours to arrange the details? Or should I give you their contacts?

Wei¯re currently working on confirming other meetings and Ii¯ll revert asap.

There woni¯t be a traditional reception by the Governor of St. Petersburg this year. But our official partners are planning their own receptions and events for guests and participants. Iti¯ll take about a week to finalize the details. Ii¯ll send you the list so youi¯d be able to choose interesting events for you.

Please inform us about your decision at the earliest. Iti¯ll help us organize your performances on the best level.

Thank you in advance!

Dear Sergey
Thanks for the invitation.
I'm planning to come.
I'm highly interested in meeting # 4,6,7, on the list. And also anyone of the others that you think is worth meeting.
Beyond, I remember from the previous Forums that there are certain events, some of them of social entertainment nature, and reception for high level guests, where only a selected group were invited.
I would like to participate as well. As was the case last time.
(Arranged by Yuri Ushakov's office at the time).
Thx. Looking for your response.
Best
